WEBSITE: [www.gclo.org](http://www.gclo.org)

Have problems and/or complaints? Or even something nice to say? Nothing can be dealt with unless communicated to the right people. Tom Wagner @ Arbors Management is always willing to talk and help residents with any issue important to them. Council members are also available for discussion, and then there are the meetings. We all want the same thing at Georgetown—community camaraderie! So please contact any of the above and they will be willing to help work out the good, the bad, and the ugly too!

*"I'm very happy you are working with me! And we're together again." Tuco (The Good, The Bad, and The Ugly)*

Believe it or not, summer is on it's way. Village Pools will be here on May 3rd to uncover the pool and get it ready to open soon thereafter. Last summer was a great time for swimming and socializing as the pool area has become a center for our community. Planning has begun for our annual 'Pool Opening' party—look for more info in the next newsletter. And.....anyone willing to help, please contact Eileen.

Many of our units have 'old' windows that are fogged and need help. As per requests for info on glass replacement, the company that replaced the windows at the clubhouse is:

Expert Glass Company, Jack Iacoboni 412-795-7233  
443 Lockwood Rd, Export, PA

MEETINGS are held the third Wednesday of every other month @ 7:00 PM in the community building. April 20th is the next one. All residents are welcome!
